

LABORATORY SERVICES TEAM CHARTER

POSITIVE WORKPLACE

We provide a flexible and fun workplace!

We offer support and encouragement to each other daily.

We make sure everyone feels a sense of belonging to the team.

We resolve conflict positively.

We create a positive environment by moving forward and not dwelling on the past!

We respect each others' feelings, opinions and differences.

We respect our coworkers by being honest, fair and empathetic.

We treat others equally regardless of their role on the team.

We stay calm and ask questions first before making assumptions.

RESPECT

We are truthful with each other without being hurtful.

We commit to honest, caring and considerate relationships.

HONESTY

We understand that some team members...

Require positive feedback and validation for a job well done.

May be impulsive when their values are violated.

Think well on the spot and can really make things happen.

Require a secure plan with stability and order.

Need an organized and orderly workplace.

COMPETENCY

We maintain competency in all work skills through ongoing training and education.

We use the skills we have to ensure the best possible patient care.

ACCOUNTABILITY

We hold all coworkers to the promises outlined in this Charter.
